To whom it may concern,

Thank you for your request for a donation to play golf at Five Ponds. In the past Warminster's Five Ponds G.C. has tried to be very accommodating with all donation requests. However, the number of requests for donations has grown along with the game of golf, and we are now being so inundated, that we cannot grant all of the donation requests we receive.

Warminster's Five Ponds G.C. will now have requirements for granting donations. These donations will be in the form of a gift certificate for 2 weekday green fees with a cart. The current value of this donation is \$110.00. To receive this donation **one** of the following requirements must be met:

- 1- The outing will be held at Warminster's Five Ponds G.C.
- 2- The Organization must be based in Warminster, PA.
- 3- The person requesting the donation must be a Warminster resident.
- 4- The person requesting the donation must be a Warminster employee.

If you feel you have met one of these requirements and would like to submit your request, please feel free to do so. Please submit written requests to:
